Presents:

HOW TO WIN AT TRIAL:

Learn the Tactics, How to Emphasize & What's Really Important

Take the guesswork out of trying cases. Successful trial work involves much more than knowing the trial process and "leaving it up to the jury." This presentation will reveal key tactics in trial practice, how to emphasize evidence and what really matters to win a case. The speaker shall provide a multi-media presentation that includes selected slides from over twenty successful jury trials.

Speaker: Matthew Haffner of HAFFNER LAW GROUP

Mr. Haffner, with twenty five years civil litigation experience, has over thirty jury trials to verdict, all as a defense lawyer, with 29 defense verdicts, including for wrongful death; catastrophic injury; significant construction defect damage; contractual disputes; and, employment law. Haffner Law Group's practice has recently expanded to include plaintiff's matters, so all trial practitioners may gather critical trial practice information from this seminar.
